

Price list for photographic services

The Finnish Heritage Agency will charge a digitising/delivery fee for the delivered photographs. Separate publication fees will only be charged in special cases. Upon the customer's order, the Finnish Heritage Agency will publish the digitised images to online services according to its own schedule and make them available for public use, if there are no restrictions related to publishing/using the photographs.

Digitising/delivery fee, per photograph

Includes the necessary digitising and/or digital recording delivery through a download service, 300 ppi, RGB, TIFF

| | VAT excluded | VAT at 24 % | PRICE |
|------------------------------------------------------|--------------|-------------|--------------|
| Up until size A3/A2 (the largest size from a camera) | 16.13 | 3.87 | 20.00 |

The digitisation costs of ciné film and similar moving pictures are determined on a case-by-case basis.

Other photographic services

Extensive image searches and information service requiring special actions. The first half hour is free of charge. Hourly charge for searching information, even if the requested information cannot be found, minimum fee half an hour.

| | | | |
|-------------------------------------------------------------|-------|------|--------------|

Terms of use related to the images

The customer is responsible for ensuring copyrights and the protection of privacy. Using portraits in marketing and advertising is prohibited without permission from the people pictured.

The customer is responsible for photo editing in accordance with the image's purpose of use. Any changes or modifications to the image must be mentioned in accordance with good practices when using the image. The names of the author and/or photographer, the sub-collection and special collection, the main collection and the owner must be mentioned in connection to the image, if they are known.

The Finnish Heritage Agency aims to ensure the correctness of the data it publishes. However, the image data may have some deficiencies and errors. In you observe an error, please contact the customer services of the Picture Collections. When publishing images and information, the customer is responsible for ensuring their correctness.

Photographs taken personally with a photography permit may be used in these free of charge, if no other restrictions are related to them.

Please provide the Finnish Heritage Agency's library with a complimentary copy of the printed publication in which the image has been used.
